## VALENTINE'S SPOIL THE ONE YOU LOVE

### Home game at PCC on 21st January:

We had a fantastic turnout at this game and hope that this trend will continue throughout the year.

Congratulations to Björn Schildt who had a Hole-in-One on the 14th ... Great shot!

### Annual General Meeting:

The Society's AGM will take place in the Vodacom Room on Wednesday, 25th March at 6pm — after golf & prize-giving.

### Eclectic Competition:

The eclectic for 2015 is being played at all of our "Away" games, and will be based on the individual stableford scores from Hole Nrs 1—18, regardless of the stroke, or par, on the different courses. This format was adopted after numerous suggestions were made by members followed by discussions to make it simple to administrate.

### Welcome:

We have great pleasure in welcoming two new members to our ranks and wish them many happy years of golf with the Gauteng North Society:-

- George Kyriakou
- Sydney Mpipi

# GOOD LUCK

... to those members who will be travelling to Cape Town to participate in The Argus Cycle Tour on Sunday, 8th March.

... and to those who will be playing in their local club's Annual Golf Championships.

*Four guys have been going on the same golfing trip to St Andrews for many years. Two days before the group is to leave, Jack's wife puts her foot down and tells him he isn't going.*

*Jack's mates are very upset that he can't go, but what can they do.*

*Two days later, the three get to St Andrews only to find Jack sitting at the bar with four drinks set up!*

*"Wow, Jack, how long have you been here, and how did you talk your misses into letting you go?"*

*"Well, I've been here since last night. Yesterday evening, I was sitting in my living room chair and my wife came up behind me and put her hands over my eyes and asked: 'Guess who?' I pulled her hands off, and there she was, wearing a nightie.*

*She took my hand and pulled me into our bedroom. The room had candles and rose petals all over. Well she's been reading '50 Shades of Grey' .....*

*On the bed she had handcuffs, and ropes! She told me to tie her up and cuff her to the bed, so I did.*

*And then she said: "Do whatever you want."*

*So ... Here I am!*
